### USGA RULES GOVERN ALL PLAY, with the modifications identified below for the three forms of competition:

- All players should reference the MWPGA Rules of Play sheet, available at [www.mwpga.org](http://www.mwpga.org).
- Rule 14-2b prohibiting a caddie or partner or a partner's caddie from positioning him/herself on or close to an extension of the line of play or the line of putt behind the ball anywhere on the course will be in effect. By definition the line of play or the line of putt does not extend beyond the hole.
- A local rules sheet will be provided on the day of play for course conditions specific to Valleywood Golf Course.
- Expected pace of play is 4 ½ hours.

**This event is comprised of three forms of competition: alternate shot, four-ball and scramble.**

#### • **ALTERNATE SHOT– HOLES #1 through #6**

Players A & B hit tee shots on each hole. If Player A's tee shot is selected, Player B plays next – hitting A's tee shot as it lies, the ball selected is the ball in play, and no switching of balls is permitted. A & B play alternate shots and putts until the ball is holed out.

#### • **FOUR-BALL– HOLES #7 through #12**

Players A & B play their own ball. Best Gross score counts for the team.

#### • **SCRAMBLE– HOLES #13 through #18**

Players A & B hit tee shots on each hole. Players choose the best location and both play from that spot. Continue this process until the ball is holed out. The ball may be moved, no nearer the hole, within six inches on the putting green and within one club length everywhere else. If the ball is in the fairway, rough, hazard or on the putting green, it must remain in a similar location.

**At the conclusion of play, each team must report to the scoring table to sign and attest scorecard.**

The yardages below may be changed by the Committee at any time.
